

PEARSON FIELD  
Education Center

# 2017 Pearson Field Education Center STEM Summer Camp for ages 6-8

## Choose from one of these 2017 STEM camp sessions:

Session 1: July 17-21

Session 2: July 31-August 4

Session 3: August 14-18

Camps run Monday through Friday, 9am - noon  
Cost: \$150/week

### Campers will:

- Learn the principles of aviation
- Learn the basics of flight using flight simulators
- Tinker, experiment, and learn
- Build a glider
- Fly a whirlygig
- Visit an air museum
- Operate the controls of a real airplane

Kids will discover STEM first-hand at historic Pearson Field - an active airport next to Fort Vancouver. This fun-filled, hands-on camp is perfect for your aspiring aviator or budding engineer. Our instructors are experienced in aviation and education, and will introduce your child to the world of flight.

This STEM Summer Camp program is one you will not want to miss! Space is limited, so register early!

Please mail registration and payment to:

Fort Vancouver National Trust  
750 Anderson Street  
Vancouver, WA 98661
